

Meetings of the Arctic Circle

1947

- | | | | |
|---|-------------|---------------------|--|
| 1 | 12 December | Flt.Lt. A.H. Tinker | Establishment of weather stations at Eureka and Resolute Bay |
|---|-------------|---------------------|--|

1948

- | | | | |
|---|-------------|---------------------------------|--|
| 2 | 15 January | Sgt. F.S. Farrar, RCMP | Film: <i>St Roch</i> |
| 3 | 16 February | R.G. Madill, Flt.Lt. J.F. Drake | North magnetic pole |
| 4 | 18 March | Lt.Col. A. Croft | Operation Musk-ox |
| 5 | 13 April | H.M. Raup | Botany, geology, and archaeology, Alaska Highway |
| 6 | 25 May | J.G. Wright | Film: <i>RMS Nascopie</i> |
| 7 | 20 August | | Picnic at the Jenness's cottage |
| 8 | 4 November | C.S. Lord | Mining in NWT |
| 9 | 9 December | P. Serson | Operation Magnetic |

1949

- | | | | |
|----|-------------|----------------------|--|
| 10 | 13 January | B.J. Woodruff | Geodetic Survey of Canada |
| 11 | 10 February | P.D. Baird | Project Snow Cornice |
| 12 | 10 March | Cdr. D.C. Nutt, USNR | Antarctica |
| 13 | 14 April | J.C. Wyatt | Construction in the Arctic |
| 14 | 12 May | Mrs T.H. Manning | Travels in Hudson Bay and Foxe Basin |
| 15 | 10 November | Dr. J.C. Callaghan | Medical officer's experiences |
| 16 | 8 December | M.J. Dunbar | Marine resources of the eastern Arctic |

1950

- | | | | |
|----|-------------|----------------------|---|
| 17 | 12 January | Flt. Lt. B. Hartman | Search and rescue in the eastern Arctic |
| 18 | 9 February | A.E. Porsild | Plant life |
| 19 | 9 March | D. Wilkinson | NFB in the North |
| 20 | 13 April | T.H. Manning | Expedition to Foxe Basin, 1949 |
| 21 | 11 May | Miss M. Montgomery | Ice in Hudson Bay |
| 22 | 12 October | Sqd. Ldr. A. Copland | Fur-trading in the Arctic |
| 23 | 9 November | F.T. Davies | 1932-33 Expedition to Chesterfield Inlet |
| 24 | 14 December | F.T. Davies | USN film: <i>Silent Land</i> (Antarctica) |

1951

- | | | | |
|----|-------------|-----------------------|--|
| 25 | 11 January | Maj. J.M. Berry | RCASC tractor trains |
| 26 | 8 February | Flt. Lt. K. Greenaway | Navigation in the polar regions |
| 27 | 8 March | P.D. Baird | 1950 expedition to Baffin Island |
| 28 | 12 April | Dr. M. Brown | Medical expedition to Southampton Island |
| 29 | 10 May | Fg. Off. P. Ste Louis | Flying in Graham Land |
| 30 | 14 November | Dr. R. Fleming | Medicine in the Mackenzie Valley |

Titles in these lists are for military rank, professional qualifications, and honourifics. Academic titles are omitted. Appellations are included for ladies, to distinguish them from the gentlemen, who were the majority of speakers in the early years of the Arctic Circle; later in the lists names are used for this, as customs changed.

1952

31	9 January		Film: <i>Greenland in the Sun</i>
32	13 February	G. Jacobson	Construction of Sept. Isles to Schefferville railway
33	12 March	M.J. Dunbar	DFO research on <i>Calanus</i> , 1950-51
34	26 March	V. Stefansson	Canadian Arctic expedition 1913-18 and ice islands
35	9 April	D. Wilkinson	Filmmaking of Eskimo life, 1950-51
36	14 May	V.E. Solman	CWS Waterfowl breeding survey, NW Canada
37	1 October	N.O. Christensen	Greenland administration
38	2 November	D. Wilkinson	Filmmaking at Chesterfield Inlet, 1951
39	3 December	Lt. Col. J.O. Fletcher, USAF	Ice island T3

1953

40	7 January		Film: <i>Arctic wildlife</i>
41	4 February	C.S. Lord	Operation Keewatin
42	4 March	Various speakers	Proposed projects in the North, 1953
43	1 April	T.H. Manning	Banks Island expedition, 1952
44	6 May	Miss E.G. Graham	Grenfell Mission nursing
45	7 October	G. Hattersley-Smith	N. Ellesmere Island ice shelf
	19 October	Count E. Knuth	1947-50 Danish Pearyland expedition
46	4 November	Capt. W.W. Ker, RE	Army surveying
47	2 December	A. Loughrey	Wildlife and Eskimo, Southampton Island

1954

48	6 January		Film: <i>Kumak the sleepy hunter</i>
49	3 February	K.B. Fenton	Australian Antarctic science
	17 February		USSR Film: <i>Life in the Arctic</i>
50	3 March	G. Jacobsen	Axel Heiberg Island, 1953
51	7 April	Rev. G. Laviolette, OMI	Film: <i>The Cross over the Arctic</i>
52	7 May	P.D. Baird	Arctic Institute's Baffin Island expedition, 1953
53	6 October	J.A. Houston	Contemporary Eskimo art
54	3 November	W.W. Mair	Predators and their control in the Canadian Arctic
55	1 December	R.G. Blackadar, et al.	Geological Survey work in the Arctic islands, 1954

1955

56	5 January		Film: <i>US icebreakers in the North</i>
57	2 February	Hon. J. Lesage	Press conference
58	2 March	D.C. Rose	Arctic cruise of HMCS <i>Labrador</i> , 1954
59	6 April	Mrs G.W. Rowley	Film: <i>Perry River expedition, 1949</i>
60	12 May	Supt. H.A. Larsen & R.C. Powell	Film: <i>Highway of the atom</i>
61	14 October	J.S. Tener	Canoe trip on Back and Thelon rivers
62	8 November	C.L. Merrill	Site selection and construction at Aklavik, 1954-5
63	13 December	R.S. MacNeish	New light on Arctic prehistory

Special Meetings are printed in boldface type.

1956

64	10 January		Films: <i>Wind from the West</i> ; <i>The new Greenland</i>
65	14 February	Y.O. Fortier	Operation Franklin
66	13 March	E.F. Roots	Norwegian, British, Swedish Antarctic expedition, 1949-52
67	10 April	W.M. Sprules	Fisheries of the Great Slave Lake
68	8 May	Dr. J.S. Willis	The public health problem in the eastern Arctic
69	9 October	D.C. Rose	International Geophysical Year, 1957-58
70	13 November	D.E. Wilkinson	New town of Frobisher Bay, the first year 1955-6
71	11 December	B.G. Sivertz	Summer visit to Greenland

1957

72	8 January	R.G. Robertson	The future of the North
73	12 February	J.L. Courtney	Life at an Arctic weather station
74	12 March	F.S. Nowosad	Northern agriculture
75	11 April	Wg. Cdr. G.J. Bury, RCAF	The Mid-Canada Line
76	9 May		Films: <i>Wheels to the North</i> ; <i>Northwest Canada</i>
77	8 October	G.W. Rowley	The Eskimos
78	12 November	D.E. Wilkinson	The Inland Eskimo of today
79	10 December	Cdr. A. Law, RCN	Operation Bellot

1958

80	14 January		Film: <i>The Newfoundland scene</i>
81	11 February	W.E. Taylor	Ungava archaeological survey
82	11 March	R.G. Blackadar & E.T. Tozer	Geological investigations
83	8 April	R.F. Legget	Across Lapland by bus
84	13 May		Three Russian films on Russian Antarctic expeditions
85	14 October	D. Fisher	DFO research
86	9 December	W. Phipps	Light aircraft in the Arctic islands

1959

87	13 January		Films: <i>Dawson</i> ; <i>Cape Dorset</i> ; <i>The living stone</i>
88	10 February	K.J. Christie	Mineral resources
89	10 March	G.F. Hattersley-Smith	Research near Lake Hazen in the IGY
90	14 April	L. Lemieux	Expedition to Bylot Island
91	19 May	<i>Hon. A. Hamilton</i>	<i>First annual dinner</i>
92	13 October	B. Zaborski	The population in northern Russia
93	11 November	E.F. Roots	PCSP
94	8 December	C.F. Maclellan	Transportation

Some annual dinners have been numbered meetings, but the practice has been erratic.

1960

95	12 January		Film: <i>Commonwealth Trans-Antarctic expedition</i>
96	9 February	A.H. Macpherson	Zoological reconnaissance of Prince of Wales Island
97	8 March	G.W. Stead	Northern sea supply
98	12 April	Supt. W.G. Fraser, RCMP	G Division patrols
99	5 May	<i>Comm. L.H. Nicholson</i>	<i>Annual dinner. The North and Eskimos.</i>
100	11 October	J.K. Fraser	Western Arctic
101	8 November	W. Heikkila	Rocket experiments at Fort Churchill
102	13 December	R.L. Christie	Geological reconnaissance of Ellesmere Island

1961

103	10 January	B.G. Sivertz	Challenge of the North to Canadians
104	14 February	J.C. Reed	Oil exploration, northern Alaska
105	14 March	G. Jacobsen	Expedition to Axel Heiberg Island
106	11 April	H.B. Dickens	Building in the North
107	9 May	M. Freeman	Ecology and society on the Belcher Islands
108	10 October	S.D. MacDonald	Wildlife of the Queen Elizabeth Islands
109	14 November	J.R. Weber	Penny ice cap
110	12 December	Miss M. Dunbar	Ice and other observations, CMS <i>John A. Macdonald</i> , 1961

1962

111	9 January		Films: <i>Caribou tagging; High Arctic; The Navy goes north</i>
112	13 February	R.D. Wood	Plant photographs
113	13 March	J.R. Mackay	Pingos and other geomorphological features, Mackenzie delta area
114	10 April	J.A. Downes	Northern insects
115	8 May	A.H. Macpherson	Caribou, Caribou Eskimo and other Eskimo
116	10 October	F.R. Crawley	Filming in the North
117	13 November	C.R. Harington	The life of polar bears
118	11 December	E.W. Morse	Paddle and portage across the Barrens

1963

119	8 January		Films from USSR: <i>Atomic icebreaker Lenin; The Koryake</i>
120	12 February	J.D. Ives	North central Baffin Island
121	12 March	D.B.O. Saville	Plant geography of the Queen Elizabeth Islands
122	9 April	W.E. Taylor	Archaeology
123	14 May	Mrs A. Houston	Impressions of living in the Arctic at Cape Dorset
124	8 October	E.F. Roots	PCSP film
125	12 November	R. Slobodin	Kutchin Indians and their contact with the Eskimos
126	10 December	Lt. Cdr. N.S. Norton, RCN	Antarctic cruise with Argentine Navy

The AGM has almost always been held at the January meeting.

1964

127	14 January		Danish film: <i>Where mountains float</i>
128	12 February	HE J. Knox (Denmark)	Expedition of Jens Munk to Hudson Bay
129	13 March		CANCELLED
130	14 April	A. Mansfield	Walrus
131	12 May	Margaret Lantis	Eskimos of Bethel Triangle, AK
132	13 October	D. Dinely	uOttawa expedition to Somerset Island, 1964
133	10 November	V.Adm. J.B. Harvey	Boy Scout Movt. In the Arctic
134	8 December	F. Scott	Bilingualism and biculturalism

1965

135	12 January		Film: <i>High Arctic</i>
136	9 February	M. Watts	Mary River iron ore deposit
137	9 March	W. Blake, Jr.	North East Land, Spitzbergen
138	13 April		Films: <i>Arctic Outpost, Up North, Fur Country; Kumak the Sleepy Hunter</i>
139	15 April	E. Brun	History of administration in Greenland
140	11 May	F. Vallee	Special problems of the North
141	12 October	A.H. Macpherson	Commentary on a film about fishing near Pelly Bay
142	9 November	D. Damas	Eskimo ethnology
143	26 November	Capt. T.C. Pullen, RCN	Franklin search
144	14 December	G.W. Rowley	Northern Scandinavia and Siberia

1966

145	11 January		Films: <i>Gold; Nahanni; Yukon Old, Yukon New.</i>
146	8 February	E.H. Grainger	Current research by the Arctic Biological Station
147	8 March		Films: <i>Kenojuak; Along uncharted shores; Northern voyage.</i>
148	12 April	W. Kupsch	The North tomorrow
149	10 May	Indian-Eskimo Association	Panel on social problems of the North
150	11 October	J.C. Reed & Brig. H.W. Love	Arctic Institute of North America
151	8 November	B.R. Pelletier	Marine geology at the Bedford Institute
152	1 December	R.J.E. Brown	<i>Annual dinner. Visit to USSR</i>

1967

153	12 January		Film by K. Rasmussen: <i>Eskimo bride</i>
154	14 February	R.G. Glover	Andrew Graham, Reporter of Hudson Bay
155	14 March	Flt. Lt. J.W. Storr	Hovercraft trials in the Mackenzie delta
156	18 April		Films: <i>Eskimo family; Ikpuk, the igloo dweller; Little Diomedea</i>
157	9 May	J.S. Hart	Cold adaptation in man
158	17 October	O. Gjaerevoll	Jensen's nunatak revisited
159	14 November	H. Weber	Dominion Observatory North Pole expedition
160	30 November	A.P. Crary	<i>Annual dinner. Polar experiences</i>
161	12 December	R. Plaisted	Plaisted polar expedition, 1967

Topics for the talks are given, as the full titles, in some instances, are not succinct.

1968

162	9 January		Films: <i>The North has changed; The accessible Arctic</i>
163	30 January	Gov. N.O. Christensen	Economic and social development in Greenland
164	13 February		Film: <i>Knud Rasmussen</i>
165	13 March	Col. B. Balchen	Air and sea navigation and transport, including climatic change
166	9 April	J. Terasmae	Palynology and Quaternary studies
167	28 May	R.J.E. Brown	Permafrost visit to USSR
168	8 October	G.C. Monture	The Canadian Indian, then and now
169	12 November	G. Whalley	John Hornby
170	29 November	F.T. Davies	IPY, 1932
171	17 December	G. de Q. Robin	Scott Polar Research Institute

1969

172	14 January		USSR film: <i>In search of the Tunguska meteorite</i>
173	11 February	S.D. MacDonald	Expedition to Bathurst Island
174	11 March	Dr H.E. Robertson	Medical surveys in the eastern Arctic
175	25 March		Film: <i>Amundsen of the Arctic</i>
176	4 April	M.R. Dence	Meteorite craters
177	13 May	A.D. Hunt	Economic and resource development
178	14 October	J. Meldgaard	Greenland eskimo and northern archaeology of the last 15 years
179	12 November	G. Kish	A.E. Nordenskjöld, explorer of the NE Passage
180	25 November	R. Adm. A.G.H. Storrs	Annual dinner. <i>Voyage of S.S. Manhattan</i>
181	9 December	R.M. Koerner	British Trans-Arctic expedition

1970

182	13 January		US Navy film: <i>Polar oceanography</i>
183	10 February	L.A.C.O. Hunt	Antarctic experiment
184	1 March	A. Jahn	Periglacial phenomena on Svalbard
185	14 April	D. Hodgson	Northern Baffin Island glacial history
186	12 May	Cdr. B. Ackerman	Manned underwater operations
187	13 October	K.C. Arnold	The problem of Meighan Island
188	10 November	P.D. McTaggart-Cowan	Annual dinner. <i>Operation oil</i>
189	7 December	B.D. Loncarevic	With <i>Hudson's</i> scientists through the NW Passage

1971

190	12 January		DRB films: <i>Ward Hunt Ice Shelf; Tanquary Fiord.</i>
191	9 February	C.R. Harington	Canadian Ice Age mammals
192	9 March	M. Haycock	Painting in the Northland
193	13 April	D. Muir	Some environmental problems in the Arctic today
194	12 October	K. Crowe	Eskimo artists in Japan
195	17 November	C.R. Hetherington	Annual dinner. <i>A new image for the Arctic</i>
196	13 December	J. MacInnes	Beneath canyons of ice

			1972
197	11 January		Film: <i>The living Arctic</i>
198	8 February	D.R. Gray	A winter with the Muskox on Bathurst Island
199	14 March	A. Rode	The physical fitness of Eskimos
200	11 April	A. Copland	<i>Celebratory dinner. A look back at the old North</i>
201	26 October	W.M. Gilchrist	<i>Annual dinner. Northern Transportation</i>
202	14 November	Moira Dunbar	Ice and history in Nares Strait
203	13 December	R.F. Legget	The Mackenzie waterway

			1973
204	9 January		Film: <i>Yesterday and today - the Netsilik eskimos</i>
205	13 February	H. Schuurman	New social and economic programs in Greenland
206	13 March	Panel discussion	Pace of northern development
207	10 April	H. Serson	Oceanographic and sea-ice surveys in the archipelago
208	8 May	J. Robertson	Eskimo sky museum or the flying rock circus
209	23 October	Supt. W.G. Fraser	<i>Annual dinner. RCMP in the Arctic and other tales</i>
210	13 November	D. Gray	Muskox and man on Bathurst Island
211	11 December	N. Hallendy	The importance of visual documentation of the North

			1974
212	8 January		Film
213	12 February	Helga Goetz	Eskimo art: from the Art of a people to the Art of an Individual
214	12 March		Several films
215	9 April	L.A.C.O. Hunt	The Antarctic revisited
216	14 May	G.W. Rowley	Visit to Siberia for 2nd Int. Conference on Permafrost
217	10 October	T. Curley	Autobiographical sketch
218	14 November	P. MacKinnon	Ice caps, sea ice, and snowmobiles
219	12 December	E.H. Mitchell	Antarctic whaling in the Forties

			1975
220	9 January		Imperial Oil film: <i>Edge of evolution</i>
221	13 February	G. Holdsworth	Mount Logan survey of 1974
222	13 March	D. McLaren.	<i>Annual dinner. Work of GSC in the North</i>
223	17 April	D. Bridgwater	Messing about in boats in Greenland
224	15 May	R.W. Lake and C.Boon	Transport of Mackenzie Valley oil and gas by railway
225	14 October	Rev. J.A. Davidson	Exploration and history of the west coast of Hudson Bay
226	11 November	H. Pfeiffer	Portraits in bronze of Eskimos and Indians
227	9 December	Lorna and Dick de Blicquy	Light aircraft operations in the Arctic

			1976
228	13 January		Slide competition
229	10 February	H. Weber	Gravitation and Arctic ice dynamics joint experiment
230	9 March	J. Elliott	Polar Gas project
231	13 April	S.D. MacDonald	National Museums High Arctic research station
232	11 May	W. Koenig	Films: Inuit animation from Frobisher Bay and Cape Dorset
233	12 October	P. Poole	Planning new parks north of treeline
234	9 November	M. Haycock	The story of Beechey Island
235	14 December	R.W. Gibbons	Frederick Cook and the North Pole
			1977
236	11 January		Slide competition
237	8 February	H. Schurmann	Lapland
238	12 April		Slide competition
239	8 November	C. Alexander	What direction is the North taking?
240	13 December	H. Brodie	The People's Land.
			1978
241	10 January	T. Lloyd	Canada-Greenland relations
242	14 February	R.J.E. Brown	Permafrost visit to China
243	4 April		Slide competition
244	2 May	Capt. T.C. Pullen	The Arctic marine locomotive and icebreaking LNG ships
245	10 October	R.L. Grasty	Operation Morning Light: the search for cosmos 954
246	27 October	R.S. Finnie	Last two voyages of Capt. J-E. Bernier
247	14 November	P.H. Serson	North magnetic pole
248	22 November	O. Gjaerevoll	The geopolitical situation in Spitzbergen
249	12 December	F.T. Davies	Canadian Second Polar Year expedition to Hudson Bay
			1979
250	9 January	S.D. MacDonald.	Ghosts, gulls, and great white bears.
251	6 February	D. Gray	Arctic journeys of Dr R.M. Anderson, 1908-28.
252	12 March	R. Chipeniuk	Expedition by boat to the Torngat Mountains, Labrador
253	8 May	G. Jacobsen	Design for Arctic living
254	20 October	E.R. Pounder	Sea ice in the High Arctic
255	22 November	Lt. Col. R.V. Nordlund	Arctic airfield construction
256	11 December	R. Diubaldo	Stefansson and the Canadian Arctic

1980

257	8 January	H.E. P. Graver	Norway and the northern regions
258	12 February	Rev. R.E. Briggs	Transition of the native peoples of Canada to urban ways of life
259	11 March	B. Wheatley	Mercury in the Canadian Arctic
260	14 October	G.W. Rowley	The Inuit as explorers
261	18 November	D. Pharand	Canada's jurisdiction within the Arctic
262	9 December	H.L. Blohm	Photographic experiences in the North

1981

263	20 January	G. Swinton	Inuit artists and Eskimo art
264	10 February	M. Ruel	Lancaster Sound Green Paper
265	10 March		Royal Norwegian Embassy film: <i>Svalbard</i>
266	21 April	J. Inglis	Introduction of reindeer to North America
267	10 November	T.J. Kovacs	New national parks in the Canadian North
268	15 December	H.M. French	Permafrost terrain disturbance and land use problems

1982

269	12 January	Capt. T.C. Pullen	Transporting <i>Arvik II</i> , Trois Rivières to Little Cornwallis Island
270	9 February	P. Blackall	Baffin Island oil spill project
271	9 March	K. Harper	Murder of Robert Janes, spring 1920
272	13 April	H.W. Finkler	Administration of justice in the N.W.T.
273	11 May	W.A.B. Douglas	Weather and war in Labrador
274	9 November	P.G. Johnson	Rookeries and rock glaciers: teaching and research in the North
275	14 December	H. Weber	Maps of the Arctic Ocean basin

1983

276	11 January		Film: <i>In the days of the river boats</i>
277	8 February	S. Metcalfe	Inuktitut as a living language
278	8 March	R.M. Koerner	Climatic history revealed by polar ice cores
279	12 April	W. Barr	First International Polar Year, 1882-83
280	18 October	P. Schlederman	Gateway to Greenland
281	8 November	H. Weber	Ice station Cesar
282	13 December	R.A.W. Hoos	Dome Petroleum EA for Beaufort Sea Hydrocarbon Development

1984

283	10 January	J. Padlayat	Inuit Broadcasting Corp - formation and mandate
284	14 February	J.W. Deyell	Norman Wells Project
285	13 March	T. Armstrong	The Soviet Arctic
286	10 April	W. Musgrove	Political development in the North
287	9 October	P.B. Robertson	Haughton Astrobleme, Devon Island
288	13 November	K. Harper	Minik Wallace - New York eskimo.
289	11 December	Capt. T.C. Pullen	NW Passage voyage of <i>Lindblad Explorer</i>

1985

290	8 January	G. Mayer	Ellesmere Island slide show
291	12 February	G.D. Hobson	Canadian scientific ice island station
292	12 March	P. Goldring	Whaling sites, Cumberland Sound, 1984
293	9 April	T. Frisch	Northern Baffin Bay
294	8 October	J.M. Harrison	Science for the North
295	12 November	W.P. Adams	Northern field stations
296	10 December	D. Pharand	<i>Polar Sea</i> and the Northwest Passage

1986

297	14 January		Films depicting the Soviet North
298	11 February	Rhoda Inuksuk	Inuit Youth Councils
299	11 March	Jenny Gilbertson	Jenny's Arctic diary
300	8 April		MISSING
301	18 April	<i>R.I.G. Morrison</i>	<i>Annual dinner. Shore birds, the ultimate migrants</i>
302	11 November	Susan Rowley	The Sadlermiut
303	9 December	W. Gillies	Arctic whaling, 1835

1987

304	13 January	Jenny Gilbertson	Films. <i>Children of Coral Harbour & Jenny's dog team journey</i>
305	10 February	B.T. Aniskowicz	Working with Arctic hares
306	10 March	W. Slipchenko	Ministerial visit to the Soviet Union, April 1986
307	28 March	<i>M. Haycock</i>	<i>Annual dinner. Historical sites of our Arctic</i>
308	14 April	Bea Alt	Controls on climate in the Queen Elizabeth Islands
309	13 October	M. Schmidt	Activities on the Canadian Ice Island, 1985-87
310	10 November	Frances Abele	The native employment training study
311	8 December	Cdr. T. Irvine	The eastern Arctic sealift

			1988
312	12 January	G. Brassard	Odyssey to Disko Island, Greenland
313	9 February	P.J. Williams	Pipelines and permafrost
314	8 March	Brenda Carter	A painting tour of west Greenland
315	29 March	J.M. Harrison	Annual dinner. <i>The Arctic scene over forty years</i>
316	12 April	S.L. Cumbaa	Fossil forests in the Arctic
317	11 October	R.L. Christie	Canada's ice island and High Arctic research
318	8 November	C. Barnabe	Northern political and economic policy framework
319	13 December	G. Abrahamson	Mackenzie delta reindeer project

			1989
320	10 January	I. Glen	Arctic trials of MV <i>Kalvik</i>
321	14 February	P. Schledermann	Prehistoric migrations along the E coast of Ellesmere Island
322	14 March	Fr. C. Choque	The diocese of Churchill-Hudson Bay
323	11 April	T. de Freitas	Ellesmere Island geology by Nansen sled
324	10 October	Capt. L. Forrest	The Polar 8 icebreaker
325	14 November	H. Pfeiffer	Closing the circumpolar circle
326	12 December	N. Hallendy	Film: <i>Our people, our houses</i>

			1990
327	9 January	R.J. Oscewski	Dinosaurs and Dr Cook
328	13 February	R.L. Christie	Stefansson and the GSC
329	13 March	G.R. Douglas	Hydrographic charting in the Arctic
330	10 April	A. Blundell	Australian Antarctica
331	9 October	Capt. W.J. Nash	Eastern Arctic marine oil transportation
332	13 November	S.E. Jenness	Arctic diary of Diamond Jenness
333	11 December	D.R. Gray	High Arctic animals and early winter

			1991
334	8 January	R.S. Pilot	Mountie's life in the eastern Arctic, 1953-60
335	12 February	W.R. Wilson	Search for the missing Soviet airmen, 1937
336	12 March	E. Whalley	Mountaineering in the eastern Arctic
337	9 April	N. Hallendy	Tukilik project
338	8 October	D. Hogarth	Martin Frobisher's Baffin "gold"
339	12 November	J. Prokopiak	Climbing/skiing in the Yukon
340	10 December	Leah de Forest	Thick-billed Murres of Coats Island

1992

341	14 January	C.M. Tucker	Climate change research in the Arctic as pertains to DND
342	11 February	A.S. Dyke	Postglacial range of bowhead whales and paleo sea-ice conditions
343	10 March	J. Burant	Sovereignty: A.P.Low expedition in <i>Neptune</i> , 1903-04
344	15 April	R.D. Muir & N.E. Hallendy	Nunanara: my favourite land
345	13 October	Maj. D. Watkins	The Arctic and the aircraft accident investigator
346	10 November		MISSING
347	8 December	G.W. Smith	Canol Project

1993

348	12 January	J.G. Fyles	How long has the Arctic been arctic?
349	9 February	Patricia Sutherland	Prehistory of the Eureka Upland
350	9 March	Sylvia Edlund	Environmental research on the Fosheim Peninsula
351	13 April	Killi Kauppinen	Sauna and winter swimming
352	12 October	T. Gaston	Seabirds of the eastern Arctic
353	9 November	Mary Carpenter	Northern recollections
354	14 December	R.M. Koerner	Tracking pollution over the top

1994

355	11 January	D.A. St-Onge	Bernard Harbour-Bluenose Lake region
356	8 February	G.D. Hobson	The Arctic of John Rae
357	8 March	A. Paradis et al.	North: Landscape of the imagination
358	12 April	Kathleen E. Conlon	Response of marine fauna to seabed disturbance
359	10 May		Visit to Tungasuvvingat Inuit, Ottawa
360	5 October	N. Hallendy	Traditional sites in SW Baffin Island
361	8 November	L. Dick	Peary's shelters at Fort Conger
362	13 December	G. Kenney	Relocation of Inuit to Grise Fiord and Resolute Bay

1995

363	10 January	S.D. MacDonald	Antarctica
364	14 February	LeeAnn Fishback	Active layer development in the High Arctic
365	14 March	Susan Aitken	Arctic botany
366	11 April	Fr. C. Choque	Mikilar (Fr. L. Ducharme)
367	10 October	Caren Garrity	AOS '94: Canada-US Coast Guard voyage to the North Pole
368	14 November	K. Greenaway	Airships in the Arctic
369	12 December	A.G. Lewkowicz	Climate change and the Arctic landscape

370	9 January	J.K. Fraser	Spence Bay revisited, 1949-1990.
371	13 February	H.W. Finkler	Indigenous people in the Russian North
372	12 March	L. Gray	Arctic terrain monitoring by remote sensing
373	9 April	Brenda Sproule	Topoclimate and agriculture, Takhini valley, S. Yukon
374	8 October	G.D. Hobson	Transit of the NW Passage
375	12 November	R. Weber	Did Peary reach the pole?
376	10 December	N. Hallendy	The last traditional Inuit trial in S. Baffin Island

1997

377	14 January	Susan Stewart	Aboriginal justice circles
378	11 February	A. Saunders	Contaminants and human health in the Arctic
379	11 March	Patricia Sutherland	<i>Gården under sandet</i> , Greenland
380	8 April	R.L. Christie	Stefansson and the GSC
381	14 October	B. Rigby	Science and research in Nunavut
382	12 November	C.R. Harrington	Ellesmere Island beaver pond 3.5 Myr
383	9 December		<i>50th anniversary dinner</i>

1998

384	13 January	K. Crowe	Life in the northern service
385	10 February	M. St-Onge	Arctic Quebec geology
386	10 March	Bonni Hrycyk	PCSP
387	14 April	J. Cinq-Mars	Northern Yukon Bluefish caves
388	14 October	Lyn Anglin	Northern research
389	10 November	Cindy Allen	Dene musical practices
390	8 December	G.D. Hobson	Ecotourism

1999

391	12 January	N. Hallendy	Observing the invisible
392	26 January		Tribute to Tom Manning
393	9 February	S.A. Wolfe	Living with frozen ground in Yellowknife
394	9 March	J.A. Heginbottom	Hunting for the 1918 influenza virus on Svalbard
395	13 April	J.K. Fraser	Quest for Inuvik
396	12 October	H.M. French	Antarctica with the Italians
397	9 November	P.G. Johnson	Promoting northern science in Canada
398	14 December	H. Thorleifson	The search for diamonds in Canada

2000

399	11 January		CANCELLED
400	8 February	D.A. St-Onge	Cruise from Resolute to Cape Dorset
401	14 March	K. Cameron	Political development in the North
402	11 April	T. Frisch	Haughton Astrobleme, Devon Island
403	10 October	D. Lemmen	Climate change impacts in the Canadian Arctic
404	15 November	D. Murray	25 years of National Parks in the Arctic
405	12 December	T. Rudden	20 years of Inuit broadcasting

2001

406	10 January	Dawn Ambler	Lawren Harris and the Arctic
407	13 February	R. Norstrom	Polar bears and pollutants
408	13 March	A. Downs	Dew Line clean-up
409	10 April	Capt. I. McG. Marr	<i>St Roch II</i>
410	9 October	G. Kenney	Hubbard and Wallace revisited
411	13 November	J. McGrath	The co-operative movement in the central Arctic
412	11 December	R.M. Koerner	Mount Logan 2001

2002

413	8 January	T. Hadlari	Geology of the Baker Lake Basin
414	12 February	Maj. M. Brisebois	Search and rescue in the North
415	12 March	A. Collin	Ice island T-3
416	9 April	R.I. G. Morrison	Arctic shorebirds
417	8 October	J. Kusugak	The Inuit Tapiriit Kanatami
418	12 November	R. Rainbird	Geological discoveries in the western Arctic
419	10 December	J.D. Ives	Research on glacial history on Baffin Island, 1960s

2003

420	14 January	Lisa Loseto	Methylmercury formation and sources in the Canadian Arctic
421	11 February	Kathy Conlon	Diving under the ice in the Arctic and Antarctic
422	11 March	P. Budkewitsch	Satellite imaging of the Canadian Arctic
423	8 April	D. Savoie	Émile Petitot's scientific contribution to the North
424	14 October	M. Finkelstein	On the trail of A.P. Low
425	12 November	D. Gray	Canadian Arctic Expedition virtual museum
426	9 December	R. Frederking	Ice engineering for Beaufort Sea oil and gas

2004

427	13 January	Michelle LeBlanc	Lake sediments and 5800 years of climate, Boothia Peninsula
428	10 February	Marybelle Mitchell	Inuit in artmaking
429	9 March	L. Fortier	Arcticnet
430	13 April	K. Harper	John Sakeouse, Inuit artist and traveller
431	12 October	L. Dick	Muskox Land: Ellesmere Island in the age of contact
432	9 November	Patricia Sutherland	Native-Norse contact in Arctic Canada
433	14 December	D. Hardie	Cannibal cod in Arctic lakes

2005

434	11 January	D.W. Riseborough	Ground temperatures, snow, and permafrost limits
435	8 February	Season Osborne	Joseph Bernier's role in Arctic sovereignty
436	8 March	Doreen Riedel	Henry Larsen
437	12 April	M. Sawada	Lost in the mists of time
438	11 October	P. Harrison	IPY 2007-08
439	8 November	J.C. Falkingham	What is really happening to the Arctic sea ice?
440	13 December	R. Carson	Nunavut and the Northern Strategy

2006

441	10 January	Gita Laidler	Sea ice variability and change
442	14 February	Dr W.L. Williams	Health issues north of 60
443	1 March	D. Ford	Karst and caves in Nahanni, Mackenzie Mountains
444	11 April	D. McRae	Sovereignty and legal issues in the Arctic
445	10 October	Shoshanah Jacobs	Thick-billed Murres
446	14 November	Dr C. Otto	A year at the South Pole: Physician to Amundsen-Scott base
447	12 December	C.R. Burn	Science in the changing North

2007

448	9 January	D.A. St-Onge	Virtual cruise around Baffin Bay and Davis Strait
449	13 February	J. Kanigan & T-N. Nguyen	Permafrost studies in the Mackenzie delta
450	13 March	Capt. P.R.M. Toomey	Where only icebreakers can go
451	10 April	A. Fehr	National parks of the western Arctic
452	9 October	G. Gilchrist	Foraging ecology of overwintering Common Eiders
453	13 November	D. Pharand	Canada's Arctic sovereignty and the NW Passage
454	11 December	K. Harper	The search for Nancy Columbia

2008

455	8 January	M. Pisaric	Trees can talk
456	12 February	J.J. Sokolsky	The Arctic in American national security policy
457	13 March	Susan Aiken	Flora of southern Baffin Island and Iceland
458	8 April	Pascale Roy-Léveillé	Permafrost in northern Yukon
459	14 October	M. Rose	Looking climate change in the eye
460	10 November	R. Wade	Development of high-speed icebreaking
461	9 December	J.D. Ives	Skaftafell: a thousand years of a farm and a family

2009

462	13 January	Emily Cowall	Museum at Tanquary Fiord, July 2008
463	10 February	P. Aatami	Makivik Corporation: Successes and challenges
464	10 March	Lynn Gillespie	Canadian Arctic flora
465	14 April	H. Weber	Baffin Island expedition 1953
466	13 October	P. Smith	Arctic shorebirds as harbingers of global change
467	10 November	H.E. A.Cary	The Arctic: What business is it of Britain's?
468	8 December	Anna Banerji	Respiratory infections in Inuit children

2010

469	12 January	L. Copland	Ice shelf and multiyear sea ice losses, Ellesmere Island
470	9 February	J. Verhoef	Canada's outer Arctic continental shelf
471	9 March	Kathleen Fischer	Legacy of the IPY for Canada
472	13 April	C. Aporta	Exploring Inuit sense of territory
473	12 October	J. England	Laurentide ice in the western Arctic
474	9 November	H.E. Else Berit Eikeland	Norwegian northern strategy
475	14 December		Film: <i>I, Nuligak</i>

2011

476	11 January	W. Van Wychen	Glacier change in the High Arctic
477	8 February	Lois Harwood	Tracking bowhead whales in the Beaufort Sea
478	8 March	Janice Cavell	Franklin and the Franklin search in the British press
479	11 April	Natalia Rybczynski	Ancient forests and walking seals
480	11 October	K. Hedges	British Trans-Arctic expedition, 1968-69
481	8 November	Brenda Parlee	Social dimensions of changing caribou populations
482	13 December	J. MacDonald	The Arctic: Then and now

2012

483	10 January	Crystal Ernst	Northern biodiversity program
484	14 February	Emilie Cameron	Samuel Hearne's account of the Bloody Falls massacre
485	13 March	R. Harris	The wreck of HMS <i>Investigator</i> , Mercy Bay, NWT
486	10 April	R. Rainbird	The Minto Inlier of Victoria Island
487	9 October	L. Chan	The changing Arctic and ecohealth
488	13 November	Students	Nunavut Sivuniksavut
489	11 December	H.E. T. Tauriainen	The Arctic Council: Swedish view

2013

490	8 January	Katherine Griffiths	Response to climate change of lakes and ponds
491	12 February	A.G. Lewkowicz	Warming planet, thawing permafrost or vice versa?
492	12 March	Jackie Dawson	Cruise tourism in Arctic Canada
493	9 April	K. Harper	The Blacklead mission Cumberland Sound
494	8 October	M. Mallory	Sea birds, biotransport, and key marine sites
495	12 November	J. Hicks	Conceptualizing historical trauma in Nunavut
496	10 December	P. Doyle	Off-strip flying

2014

497	14 January	B. O'Neill	Permafrost and road embankments, Peel Plateau
498	11 February	R. Fraser	Satellite detection of land cover changes in NWT
499	11 March	R. McGhee	Changing perspectives on Inuit history
500	08 April	Hon.P. Adams	<i>Celebratory dinner. The Arctic Circle and polar science: seven decades and on</i>
